## ***Guisborough Citadel Band***

For 138 years the Band has continuously served the Corps, our community and beyond through its ministry. A quote from the Corps Centenary Brochure of 1980: The Salvation Army Band “exists to proclaim the Army’s message; salvation from sin through Jesus Christ; and to accomplish the Army’s purpose: the salvation of souls.” This continues to be the creed of the current Guisborough Citadel Band. We are grateful to have Bandmaster David White and the Citadel Band musicians with us tonight.
